

C3S Securiglass Ltd	C3S Projects Ltd			C3S Security Systems	C3S Far East Ltd
	Modular Buildings	Glazing Systems	Security & Shopfitting		
Supply only of cut-size specialist glasses.	Pre-fabricated accommodation units providing at-home care and comfort or workplace security for staff and property.	The supply and installation of window, door and screening systems to protect people and property against a range of threats both deliberate and accidental.	The installation of physical security systems for the protection of staff in vulnerable locations.	The provision of after-sales support services for "active" security systems.	An associated company representing the C3S Group throughout the Asia/Pacific region.
